UNFINISHED BUSINESS

6

S.B. No. 349—Umberg et al.

An act relating to substance abuse.

Legislative Counsel's Digest of Assembly Amendments

SB 349, as it passed the Senate, required a treatment provider to adopt a client bill of rights that ensures persons seeking treatment for a substance use disorder have specified rights, required a certified treatment program providing outpatient services that has a relationship with any other entity with a housing component to clearly provide specified ownership, financial interest, and contractual relationship information to prospective clients and to the State Department of Health Care Services and to distinguish itself from a licensed residential treatment facility, and made it unlawful for a treatment provider to knowingly, and, in some provisions, willfully, make a false or misleading statement about specified information.

The Assembly amendments instead require a treatment provider to adopt a client bill of rights that ensures persons receiving treatment for a substance use disorder have specified rights and additionally provide that the bill of rights does not require a treatment provider to provide treatment or services for which they will not be reimbursed. The Assembly amendments instead require a licensed treatment facility or certified treatment program that is required to disclose specified ownership, financial interest, and contractual relationship information under existing law to provide the information about its program to prospective clients, and delete the requirement that a false or misleading statement be made knowingly or willfully to be unlawful.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—38. NOES—0.)

2022

Mar. 28—In Senate. Concurrence in Assembly amendments pending.

UNFINISHED BUSINESS—Continued

7

S.B. No. 504—Becker.

An act relating to elections, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 504, as it passed the Senate, required a county elections official to make conditional voter registration available to military and overseas voters and voters with disabilities via a certified remote accessible vote by mail system.

The Assembly amendments instead clarify that otherwise qualified military and overseas voters and voters with disabilities may complete a conditional voter registration and cast a provisional ballot or nonprovisional ballot. The Assembly amendments authorize the Secretary of State to adopt emergency regulations to implement these provisions relating to conditional voter registration, and declare that the bill is to take effect immediately as an urgency statute.

Vote: 27. Substantial substantive change: yes.
